

October 2018

Dear Parent/Guardian

## Invitation to Park High School's Open Evening on Thursday 11 October 2018 – 6.00pm to 8.45pm

I am delighted to invite you to Park High School's Open Evening. Our students will guide you around the school to participate in each subject area, meet our staff, view the displays and take part in various demonstrations.

Making the right choice for your child's secondary schooling can be a difficult decision and I hope I can be of help by providing you with the information you need to decide if Park is the right place for your son/daughter.

Academic success at every level is important to us at Park High School. Our curriculum is founded on high aspirations allied with academic breadth and challenge. Teaching at Park centres on the individual and encourages students to work independently and think for themselves. Co-curricular activities are an essential ingredient in a full and broad education. Our co-curricular choices enable our students to discover new talents and meet new friends as well as reinforcing a sense of belonging to the Park family.

Park is a family that has a strong sense of community and it is an exciting and rewarding place to be. Our focus on developing the whole child through effective student centred teaching and learning, ensures they leave us with the academic results and interpersonal skills necessary to face the future with confidence. Ofsted recognised this stating "There is a nurturing ethos in the school that creates an environment in which pupils can thrive" Ofsted 2015.

If you would like to see the school on a normal working day, please take advantage of the tours that will run from 9.00am every morning between Monday 15 October and Friday 19 October 2018. I am confident that whenever you visit Park, you will not only be impressed by the high standards of work and behaviour but also by the warm and friendly family atmosphere that prevails here.

We are committed to working in partnership with the family and we hope that the parents who choose Park High School will share the ethos and vision for the students in our care; I look forward to meeting you.

Yours faithfully

Dr P Parkin  
Headteacher
